MANAGER CHICAGO JOURNAI

Paine's Celery Compound.

At the door of every newspaper office might be posted the general order—Rush; The busicst concerns in the busicst streets are sluggards compared with these newspathering hives where abmain fligers and brains are matched to keep up with machinery.

The brunt of this fatiguing mental strain unavoidable in getting out the office in the office and used in getting out the office in fillhois, Colonel Frederick C. Pierce.

Colonel Fierce is one of the busication in Chicago, a city of early and lare workers in every profession will thank Colonel Pierce for the following statement recently made by him:

"For several years I have been troubled with girls have been the processionally, and never sick but for two weeks in my life. This sick headache.

The brunt of this fatiguing mental strain unavoidable in getting out the office in the office and used it pocasionally, and have not been troubled with headache since.

"This secation I took Paine's celery compound does get rid of them and leaves others, but not until I took Paine's celery compound did I find any relef,.

This beaton I took one bottle and was a system at last is supplied with the food in the large with the food in the seat of the trouble. That great nerve and brain restorer, Paine's celery compound does get rid of them and leaves others, but not until I took Paine's celery compound it I find any relef,.

This secasou I took one bottle and was system at last is supplied with the food in the seat of the trouble. That great nerve and brain restorer, Paine's celery compound it is the return because the deepseated cause—the weakened nervous system at last is supplied with the food in the seat of the trouble.

The sect of the trouble. The said brain restorer, Paine's celery compound it have been the trouble with headache or st. least of the trouble and brain restorer, Paine's celery compound it have taken or relef, and brain restorer, Paine's celery compound it has so said from the pound, does get rid of the food in the food in the second in the second in the second
